## SCRIP Frequently Asked Questions

What is SCRIP?

“SCRIP” literally means “substitute money”. SCRIP is a cooperative effort between Aquinas & St. Mary’s Catholic Schools and local business. The SCRIP Team purchases gifts cards from participating business at an agreed upon discounted price. The team then sells the gift cards to you for full face value. Thus, the discounted difference is a profit for Aquinas and St. Mary’s.

Are we paying more for our gas and groceries?

No. You are buying the same things, at the same place, for the same price.

When I buy SCRIP do I have to pay for each business separately?

No, you can write one check to Aquinas and St. Mary’s SCRIP. If you wanted to buy a \$100 gift card to Hy-Vee and a \$100 gift card to Northside, you can write the check for \$200. This saves you writing different checks to different businesses. Some also find SCRIP as a helpful budgeting tool.

What do I do when I used the entire gift card amount?

Turn the card back into the business. They might ask you if you want the card filled again. If you get a card ‘refilled’ the profits do not go to the school. Please purchase more from the SCRIP Team.

Can SCRIP be used outside of David City?

Absolutely. Some gift cards are specific to a town, but some chain businesses can be used in other towns. For example, Stop Inn, Hy-Vee, Super Saver, and Northside can be used outside David City.

Is there a minimum purchase amount?

No, some businesses offer gift cards as low as \$5. For example, Runza offers a \$5 Gift Card.

We have a small household, so the amount of SCRIP we would use wouldn’t help?

Incorrect. The number one thing that determines the profitability of this program is the number of people that consistently use SCRIP. Besides, SCRIP makes wonderful gifts for others. Remember SCRIP for any occasion.

## History of SCRIP

Aquinas and St. Mary’s SCRIP Program started in 2005 as a way to support both schools without having another fundraiser. It is now accessible for all parishes in the David City Deanery. The SCRIP Team is working at adding new locations and vendors.
