We encourage those planning to attend sporting events as spectators to self-screen before departing from home. If you feel ill, stay at home.

Masks- Although optional, we encourage the use of masks for our fans. While these are open air facilities, we ask people to be mindful of social distancing during softball and football games.

Any students from Leigh or Clarkson sitting in the student section in front of the Crow's Nest for football games must wear a mask.

Gate- Payment in exact change is appreciated. Admission is \$5/adults and \$4/students.
Gate workers are required to wear masks.

Following the Game- Parents and spectators are asked to stay off the football field

Concessions- We plan to offer our usual concessions which includes popcorn at football and softball and hot dogs at softball. Specific workers will be assigned to the popcorn, hot dogs, and handling of money. Hand sanitizer will be available for patrons.

The Clarkson-Leigh Booster Club will be serving hamburgers.

Bleachers- We ask that spectators adhere to social distancing protocols in the bleachers. Reminders will be placed throughout the bleachers.

For softball, the third base line is considered the home (Highway 91) side for spectators while the first base side is for visiting fans.

Currently, our school is operating in the Green Tier. The protocols listed above are subject to change if our school is placed in a different tier.
