S.O.U.L. Club is an organization devoted to serving others in our school and community. Through various fundraisers and acts of service, we hope to embody the core Christian values that are the foundation of authentic love of others. All proceeds from fundraisers are donated to charities such as St. Gianna's and Genesis House.

If any of these activities have to be modified to be safe, that can be shared later. Applications can be sent electronically to our President Ella Moravec using her email as given here and requesting the form.

Membership forms should be emailed to Ella: ella-moravec@365.cdolinc.net
