POLICIES

Nondiscrimination Policy

Aquinas Catholic Schools admits students of any race, color, national and ethnic origins to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

I. GENERAL POLICIES

A. Attendance

- 1) Regular punctual attendance is required. The school day is from 8:00-3:22. 1) All absences, regardless of reason, are recorded as such in the school records. On the day of the absence, the parent or guardian must contact the school by 8:30 a.m. Students participating in school-sponsored activities and field trips are not considered absent.
- 2) Green Slips: If the parent knows his student will be absent or tardy, he/she must send an excuse with the student a reasonable time prior to the absence stating the name of the student, date of absence, and reason for the absence. This excuse is attached to a "green slip" in the office. It is the student's responsibilities to have each of the teachers sign to indicate knowledge of absence. The student must make arrangements for assignments.
- 3) Students missing more than 10 days (excused or unexcused) in any one class in one term may lose credit for the class.
- 4) If a student is absent more than twenty days per year or the hourly equivalent the school must file a report with the county attorney of the county that the student resides. The county attorney will review the information and decide if any action is necessary.

- 5) Tardiness: Students are tardy if not in TAC by 8:00. A student arriving late must report immediately to the office. A student must be in school by one half hour after school begins, or they will be counted absent and will be ineligible to participate in extracurricular activities that day. Circumstances such as appointments, funerals, etc. may cause this rule to be waived with Administrative approval.
- 6) Leaving School Grounds: Any student, who needs to leave the school campus for any reason other than supervised events, must obtain permission from his parents and the administration. Whenever a student leaves the building, he or she must sign out in the office, and, if returning the same day, sign in.
- 7) College Visitation: Seniors are allowed two days to visit colleges without being counted absent if they follow this procedure. Juniors are allowed one day to visit. Visits must be arranged with the college representative in advance and the Aquinas school office must be notified. The office will provide a form that must be signed by the teachers and parents and turned into the office before the student will be excused.

B. Registering and Scheduling of Courses

The administration is ultimately in charge of registering all students in courses for the following year. Once students have registered and received their course schedule, they may not change any courses without permission of the parents or guardian, and principal. This must be done within the first three days of the start of the class.

C. Student Evaluation

 - B Above average achievement (85-92) I Incomplete
 - C Passing achievement (77-84) S Satisfactory

All allegations of harassment shall be investigated by the school's administration and if substantiated, corrective or disciplinary action taken, up to and including suspension or expulsion.

B. Demerit System

All infractions of school rules will be addressed consistently by the school staff through a demerit system. Student demerits will be cumulative over the course of each school year. Each student will be expected to carry his demerit card at all times and present it to a staff member upon request. Failure to present a demerit card will result in an automatic detention and demerits for the original infraction put on the new card. Lost cards will result in a \$1.00 fine.

Middle school students not receiving a demerit for a two-week period may have a demerit removed by the office. High school students not receiving a demerit for a four-week period may have a demerit removed by the office.

The student must then show marked and immediate improvement or risk permanent expulsion.

C. Detention

Teachers or others assigned to supervisory roles have the obligation to assign a detention for an action that is worthy. This is a silent time during the student's lunch period. The students will be served a simple lunch which meets federal guidelines.

On a global network it is impossible to control all materials, and an industrious user may discover inappropriate information. X. AQUINAS MIDDLE-HIGH SCHOOL ACTIVITIES CODE

We feel that teenage use of drugs/alcohol and tobacco is a very serious situation that students and parents face today. We want it made very clear that a student or family member may come to a school official to ask for whatever assistance we can give with a drug/alcohol problem without being in violation of the Activities Code.

Note: This should not be done right after the student is charged or receives a citation simply to avoid the consequences of the activities code. If such a circumstance should occur, we will continue to offer whatever help we could, but the activities code will be in effect.

All students are encouraged to demonstrate acceptable standards of conduct. The violations of the Activity Code occurring during the school year, which begins on the first day of fall practices as governed by the NSAA and which ends when the students are dismissed from classes for the summer, will be governed by this policy. Violations occurring during a school-sponsored activity in the summer will also be governed by this policy. Any consequences stemming from violations of this policy will be served during the school year as defined above. No consequence time can be served during the summer months. If the student has consequence time left at the end of the school year, it will be served beginning with the first day of scheduled fall practice.

When the student receives a citation or is charged, whichever occurs first, it is the student's responsibility to report the incident to a school official on the next school day or before participating or attending any scheduled activity or practice, whichever comes first. This is simply asking that the students be honest and take responsibility for his actions. If the student fails to notify a school official, the consequence will be imposed for a 6-month period rather than the shorter periods of time in the code.

If the student is sighted by a school employee or chaperone violating the code, he/she will be informed by the school administration. The consequences will begin at the time of the reporting of the citation or charge. Failure to comply with the consequences set forth in the code will result in an in-school suspension for one day in addition to the consequence starting over.

The parents may appeal the consequence to the administration on the basis of a change in the citation/charge.

School-sponsored events include public performances in athletics or the arts, dances, and non-educational field trips.

**Any student with no offenses for two consecutive calendar years will have all offenses cleared from his record and will begin anew.

A. Conduct Relating to Drugs/Alcohol

1. A student will be found in violation of this activity code and subject to consequences if:

1) The student is cited or charged by law enforcement, or sighted by a school employee or chaperone, for using, being in possession of, or dispensing drugs/alcohol.

2. Consequences for violation of the activities code:

1) First Offense: A student will not be allowed to participate in any activity events for two calendar weeks. This suspension does not include athletic practices or meetings of organizations. If the two week suspension falls during a time when no activities/events occur, the student will not be allowed to participate in the first date of activities/events that occurs after the two week suspension. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

2) Second Offense: A student who is in violation of the activity code for the second time will not be allowed to participate in any activities for four calendar months. This time period may be reduced to two calendar months if the student undergoes an alcohol/drug evaluation followed by an alcohol and drug education program or an outpatient substance abuse program as determined by the evaluation.

The evaluation must take place within the first 2 months after reporting the incident. The cost of the evaluation and subsequent program is the responsibility of the student. This suspension does not include athletic practices or meetings of organizations. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

3) Third or Subsequent Offense: A student who is in violation of the activity code for the third time will not be allowed to participate in any activities for four calendar months. The student will also be required to attend an alcohol/drug evaluation followed by an alcohol and drug education program or an outpatient substance abuse program as determined by the evaluation. The evaluation must take place within the first 2 months after reporting the incident. The cost of the evaluation and subsequent program is the responsibility of the student. This suspension does not include athletic practices or meetings of organizations. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

B. Conduct Relating to Tobacco/Vaping

Aquinas-St. Mary's Catholic Schools is committed to the health, safety, and welfare of its students. We have determined that the use of vapes, vaporizers, e-cigarettes, or other devices used to inhale vapor by means of an electronic device ("vaping") is harmful to the health of students and the good order of Aquinas Catholic. Vaping requires the use of a purpose-made or homemade device that vaporizes oil that may contain flavoring, nicotine, Cannabidiol ("CBD") oil of varying concentrations, tetrahydrocannabinol ("THC") oil of varying concentrations, or other substances that may or may not be legal to possess ("vape"). A vaping device is generally composed of a vaporizer, battery, reservoir for smoking oil, and a battery charger. By way of example and not as a limitation, vaping devices may be called vapes, Juuls, e-cigarettes, e-cigs, dab pens or other brand names.

It will be a violation of the Aquinas Discipline Code to possess, use or transfer a vape as provided below.

For purposes of this section, the following definitions will apply:

- Cannabis. Tetrahydrocannabinol (THC) and cannabidiol (CBD) are the two primary cannabinoids that occur naturally in the cannabis sativa plant.
- CBD Oil. CBD oil is derived from a cannabis plant called hemp. Hemp contains a very high concentration of CBD and less than .3% by volume of THC.
- Low-THC Oil. Low-THC oil is derived from the cannabis plant that produces marijuana. Low-THC oil contains no more than 5% by volume of THC and may only be possessed or used under a doctor's supervision with a prescription. Possession of Low-THC oil without a valid prescription is a felony.
- THC Oil. THC oil is derived from the cannabis plant and contains more than 5% by volume of THC. Some THC oil may contain up to 98% by volume of THC (3 - 5 times stronger than typical marijuana). Possession of THC oil is a felony.
- Vape. A vape is a purpose-made or homemade device that electronically vaporizes liquid to allow a user to inhale the vapor created in the lungs (i.e. vapes, juuls, e-cigarette, e-cig, dab pen, vape sticks, etc.) Vape will include individually or together vape battery(ies), reservoir(s), vaporizer(s), and/or vape charger(s).
- Vape Juice. Vape juice is a slang term for the liquid used by the vaporizer to create vapor. Vape juice may contain flavored juice, CBD oil, Low-THC oil or THC oil.

At present, there is no proven technology to quickly, easily and accurately test vape juice to identify its composition as flavored juice, nicotine juice, CBD oil, Low-THC oil or THC oil. Because of the documented, extreme health effects associated with high concentration THC oil this code creates a rebuttable presumption that vapes and vape juice contain THC oil. Absent clear and convincing evidence to the contrary the possession and/or use of vape juice will be treated as a violation of this code.

1. A student will be found in violation of this activity code and subject to consequences if:

1) The student is cited or charged by the law, or sighted by faculty, staff or chaperone, for possessing, using, or dispensing tobacco or vaping.

2. Consequences for violation of the activities code:

1) First Offense: A student will not be allowed to participate in any activity events for one calendar week. This suspension does not include athletic practices or meetings of organizations. If the one week suspension falls during a time when no activities/events occur, the student will not be allowed to participate in the first date of activities/events that occurs after the one week suspension. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

2) Second Offense: A student who is in violation of the activity code for the second time will not be allowed to participate in any activities for two calendar weeks. This suspension does not include athletic practices or meetings of organizations. If the two week suspension falls during a time when no activities/events occur, the student will not be allowed to participate in the first date of activities/events that occurs after the two week suspension. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

3) Third or Subsequent Offense: A student who is in violation of the activity code for the third time will not be allowed to participate in any activities for two calendar months. This suspension does not include athletic practices or meetings of organizations. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

C. Conduct Relating to Violations of Other Statutes

1. A student will be found in violation of this activity code and subject to consequences if:

The student is cited or charged by the law, or sighted by faculty, staff or chaperone, committing an offense such as but not limited to vandalism, stealing, willful destruction of property and physical violence.

2. Consequences for violation of the activities code:

a) First Offense: A student will not be allowed to participate in any activity events for two calendar weeks. This suspension does not include athletic practices or meetings of organizations. If the two week suspension falls during a time when no activities/events occur, the student will not be allowed to participate in the first date of activities/events that occurs after the two week suspension. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

*Note: Serious offenses may result in other disciplinary measures up to and including suspension or expulsion.

b) Second Offense: A student who is in violation of the activity code for the second time will not be allowed to participate in any activities for two calendar months. This suspension does not include athletic practices or meetings of organizations. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

c) Third or Subsequent Offense: A student who is in violation of the activity code for the third time will not be allowed to participate in any activities for four calendar months. This suspension does not include athletic practices or meetings of organizations. A student may attend an activity/event only if his/her parent or guardian is also in attendance.

XI. STUDENT PARTICIPATION IN CO-CURRICULAR ACTIVITIES

A. Nebraska School Activities Association Rules

Aquinas High School is a member of the NSAA which is a voluntary organization of public and parochial schools of Nebraska, organized for the purpose of promoting and regulating the competition between schools in what is generally known as the co-curricular activities. Aquinas High School is subject to and governed in part by the rules and regulations for co-curricular activities of the NSAA. These rules and regulations are posted in the locker rooms and available for inspection and review in the Activities Director's office.

B. Aquinas High School Rules for Students Involved in Co-Curricular Activities

The following conduct shall constitute grounds for suspension from practices, participation in interscholastic competition or other participation in extra-curricular activities, when such conduct occurs on school grounds, or during an education function or event off school grounds, or off school grounds during the season of the particular activity:

1) A student must be in school within one-half hour of the start of the school day to be eligible to take part in extracurricular activities that day. Circumstances such as appointments, funerals, etc. may cause this rule to be waived with Administrative approval.

2) Participants are required to attend all scheduled practices and meetings.

3) Abusive or profane language or gestures are prohibited.

4) Good sportsmanship shall be observed during practice sessions and contests.

5) All other reasonable rules or regulations adopted by the coach or supervisor of an extra-curricular activity shall be followed.

The coaches or supervisors have full power to enforce the above rules and regulations in his/her particular activity. The administration shall decide whether all policies and punishments are rational. When any of the above rules are broken, the coach or supervisor must make a reasonable effort to contact the parents before any discipline is taken.

C. Other

The Aquinas Middle School-High School extra-curricular activities, i.e., athletic teams, performing groups and school clubs, are before the public eye throughout the school year. Conditioning programs during the school year are considered an activity. The extra-curricular programs' function is such that student participation is voluntary.

People judge the school system by the way participants in the various activities conduct themselves. It is imperative that quality standards of conduct, dress, grooming and training are established as a part of the extra-curricular program. In order to prevent adverse public reaction, prevent dissension within the various teams and organizations, and for the general

welfare of all participants and the school, the following regulations governing the aforementioned standards have been developed and are to be in effect.

- 1) Conduct: As representatives of Aquinas Middle School-High School, participants are expected to conduct themselves in a manner which exemplifies good sportsmanship.
- 2) Dress: Coaches or Moderators may request certain dress both at home and away activities.
- 3) Grooming: The variations in the physical features of different individuals create a need on the part of the coach or moderator to be flexible when evaluating a participant's grooming habits. The student should be neat and clean in appearance. Hair length must meet the Aquinas dress code policy.
- 4) Training: Participants are to demonstrate acceptable standards of conduct and training at all times. These standards of conduct and training shall be maintained throughout the duration of participation in the activity, club or organization.

D. Permission to Participate in Athletics

One completed statement from a licensed physician stating that the athlete is physically able to compete in the sport(s) designated is required. This form is available from the coaches, from the school office, or from the Butler County Clinic. Obligation for the physical examination is the responsibility of the parent. Note: Aquinas does have one day each year in the summer when the student can take the physical at the clinic. Parents will be notified as to the exact date.

ACTIVITIES

XII. STUDENT ORGANIZATIONS

A. National Honor Society

- 1) The purpose of N.H.S. is fourfold: a) to create enthusiasm for scholarship b) to promote leadership c) develop character, and d) to stimulate a desire to render service.
- 2) Junior and Senior students are eligible to be members of the N.H.S. if they have maintained a cumulative scholastic average of 90% or above.
- 3) The faculty votes on the remaining three qualifications of leadership, character and service.

B. Student Council

The Student Council serves in a leadership capacity for the student body. The Student Council is a group of students elected by the student body to serve as mediators between students and school administration, to serve as organizational leaders for student activities and to help set policies for the students.

C. Seeking Others Under Love (S.O.U.L. Club)

Seeking others under love. . . that's what the S.O.U.L. Club at Aquinas is all about. It is a special club which serves the school and the community. The goal of the club is to create Christian leaders whose aim is to assist others in need without monetary gain in return.

D. Teens For Life

Aquinas Teens for Life Club exists to promote respect for the gift of all human life from the moment of conception until natural death. The club seeks to educate its members and others about issues that threaten the sacredness of human life, especially the evil of abortion, and to inspire them to participate in various Pro-Life activities on a local, state wide, and national level.

E. Drama Club

The purpose of the club is to actively support and to encourage the dramatic arts. A student can become a member after participating in a drama event.

F. Stop and Think

The Aquinas Stop and Think Group encourages students to make positive choices in regards to underage alcohol use, illegal drugs, driving, and relationships. Stop and Think Group organize special events, including: Red Ribbon Week. Fun Nights without drugs or alcohol. Sponsored Events: ex. Nebraska State Trooper's Safe Driving Demonstration. Project Extra Mile. Project Extra Mile is a "network of community partnerships working in Nebraska to prevent and reduce alcohol-related harms." Project Extra Mile encourages youth leadership to change their communities by challenging the societal norms surrounding underage drinking and excessive drinking.

Note: No student will be allowed to be president of more than one organization or hold an office in more than 2 organizations in a given year. Class offices are included in this rule. To encourage leadership by more students those running for class officer will not be on the ballot for student council. Class officers or student council representatives must successfully pass all classes taken the previous year.

XIII. NEBRASKA CHILD FIND

The David City School District and Aquinas-St. Mary's Schools, being located in that district, are looking for unidentified children with special needs as it participates in "Nebraska Childfind." This is an ongoing statewide search for all unserved handicapped children, age birth through 21.

Children who would benefit from special education services may not be receiving them because parents may not know of available programs or because they do not recognize the handicapping conditions of their children. Special programs are available through all schools of this district for handicapped children whose impairments pose restrictions on learning. These impairments include: speech/language disorders, hearing/visual impairments, specific learning disabilities, retardation, behavioral disorders; physical handicaps and severe or multiple handicaps. Nebraska law guarantees a free appropriate public education to all children. Parents who feel their children should be receiving special education service are asked to contact either David City school district or Aquinas-St. Mary's. Nebraska Child Find provides information also through their toll free number, 800-742-7594.

XIV. AQUINAS – ST. MARY'S iPad ACCEPTABLE USE POLICY FOR STUDENTS

Aquinas-St. Mary's Schools have carts of iPads (Coi) for student use. The iPads will have predetermined applications (Apps) installed.

Aquinas-St. Mary's School strives to provide an exciting, interesting and motivating learning environment which allows students to develop their God-given capabilities. In that spirit we offer iPads for use in the classroom for educational purposes.

All students and parents are required to review this document, as well as sign the accompanying agreement to protect the hardware and software inherent with this technology.

Technology resources at Aquinas-St. Mary's are provided for the purpose of supporting the educational mission of the School. The School's goal in providing the iPad is to promote educational excellence: by facilitating resource sharing, innovation, research, creativity, communication, increased productivity, and mobile learning.

Use of these technologies is a privilege that carries responsibility and behavioral expectations consistent with all school rules and policies, including but not limited to those stated in the Parent-Student School Handbook. It is understood that members of the Aquinas-St. Mary's School community will use all types of computing devices and the School's network in a responsible, ethical, and legal manner at all times.

Aquinas-St. Mary's School retains sole right of possession of the iPad and related equipment.

1. iPADS

1.1 Receiving an iPad

iPads will be distributed by the teacher. The teacher is responsible for documenting what student is using each device. All devices will be returned by the end of the period.

1.2 Intentional Misuse Fines

If a student is caught intentionally misusing an iPad, that student and/or parent of student, will be responsible for the cost of repair or replacement of the iPad. Repair costs will not exceed the replacement cost of the device.

2. TAKING CARE OF IPADS

Students are responsible for handling the iPad with care. iPads that are broken or fail to work properly should be reported immediately to the teacher, who will then take the device to the Technology liaison for an evaluation of the device.

2.1 General Precautions

- The iPad is school property and all users will follow this policy and the Aquinas-St. Mary's acceptable use policy for technology.
- Cords and cables must be inserted carefully into the iPad to prevent damage.
- iPads must remain free of any writing, drawing, stickers, or labels that are not the property of Aquinas-St. Mary's .

2.2 Carrying iPads

Protective cases are provided with the iPads. They have sufficient padding to protect the iPad from normal treatment and provide a suitable means for carrying the device within the school. iPads should always be within the protective iPad case when carried.

2.3 Screen Care

The iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

Do not lean on the top of the iPad.

Do not place anything on the iPad that could put pressure on the screen.

Do not place anything in the carrying case that will press against the cover.

The iPad screen should be cleaned with a soft, dry cloth or anti-static cloth; no cleaners of any type should be used.

Do not "bump" the iPad against lockers, walls, car doors, floors, etc as it may damage the device.

3. DEVICE MANAGEMENT

3.1 E-mail Passwords

Each iPad has an Outlook email account attached to the device. The password may not be changed.

The iPad email is not to be used other than when directed by a teacher. Students may email their teachers, as directed.

If Office 365 is provided for students, there should be no expectation of any right to privacy. Students are to use the cloud services for education only, and consideration should be given to users who may have limited access by avoiding large attachments and sharing documents only for educational purposes.

3.2 Screensavers/Background photos

A standard screensaver or background will be preset on the iPad and may not be changed by the student.

3.3 Photos

Photos and images storage on the iPad will be for school projects only. Storing personal photos is not allowed.

3.4 Sound, Music, Games, or Apps

Aquinas-St. Mary's will synchronize the iPads to contain the necessary Apps for school work. Students will not synchronize iPads or add Apps. The software/Apps originally installed by Aquinas-St. Mary's must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add or modify software applications for use in a particular course.

Students may not download music, apps, etc. onto the school iPads.

If a student is caught downloading onto an iPad or deleting apps, there may be a fee to cover restoration of the device.

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Ear buds will be provided by the student and stored at school. iPad ear buds should be stored in a way to prevent them from being tangled

rather than put directly in a pencil pouch. A small container, such as a tic-tac box or Altoids mint box work well or products such as a earbud case. You can also make earphone wrapper out of a used gift card (Search YouTube for “DIY Earphone Holder”)

Non-educational apps are not allowed on the iPads. This includes “game” apps that are not directly educational.

The device will be synced only with a school provided iTunes account by the school’s designated personnel.

The teacher will determine which apps are to be used. Students are to ONLY use apps as directed by the teacher.

If technical difficulties occur or unauthorized software (non- Aquinas-St. Mary’s iTunes Apps) is discovered, the iPad will be restored from backup

3.5 Printing

Printing is not available from the iPad. This is the primary reason for email on the device.

3.6 Network Connectivity

Schools have wireless access. Aquinas-St. Mary’s makes no guarantee that the school network will be up and running 100% of the time.

The teacher will determine which apps are to be accessed and if network availability is necessary.

3.7 iPad Care

Only labels or stickers provided by Aquinas-St. Mary’s School may be applied to the iPad.

iPad cases furnished by the school returned with more than normal wear or alterations may result in paying a replacement fee.

When students are not using their iPads, they should be stored in iPad storage unit (or other approved storage device, as determined by the school principal). Overnight, they must be returned to the sync cart.

4 ACCEPTABLE USE

The use of the technology resources at Aquinas-St. Mary’s school is a privilege, not a right. The privilege of using the technology resources provided by the school is not transferable or extendible by students to people or groups outside the school and terminates when a student is no longer enrolled in the school.

This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any part of the Acceptable Use Policy, technology privileges may be terminated, access to the school’s technology resources may be denied, and the appropriate disciplinary action shall be applied. The Aquinas-St. Mary’s School Acceptable Use Policy shall be applied to student infractions.

Violations may result in disciplinary action up to and including suspension/expulsion for students. When applicable, law enforcement agencies may be involved.
