PowerSchool Mobile App

PowerSchool Mobile gives you access to your student's data right in the palm of your hand! This guide will help you get started using the PowerSchool Mobile app.

This guide will be divided into two sections. A section for **iOS (iPhones)** and a section for **Android**.

If you have an Android phone, Please skip the first section and go to the PowerSchool Mobile App for Android section.

PowerSchool Mobile App for iOS

Device Requirements

Mobile apps require the following operation system version installed on your device:

| Mobile App	OS
PowerSchool Mobile (iOS) v2.9.0	iOS 10.3+

Mobile App Download

PowerSchool Mobile can be downloaded from the Apple App Store

iOS App
https://itunes.apple.com/us/app/powerschool-mobile/id973741088
Note: You can also open the App Store app on your iOS device and search for "PowerSchool".
PowerSchool apps should be the first results that appear.

Sign in to the PowerSchool Mobile App for iOS

After you have downloaded the mobile app to your device, configure the app to recognize the server at your school district and then sign in to the app with your PowerSchool Student and Parent Portal username and password.

The PowerSchool Mobile app walks you through the process.

Note: If you do not have a PowerSchool Student and Parent Portal account, tap **I Need An Account** at the bottom of the first screen for complete information on how to get an account.
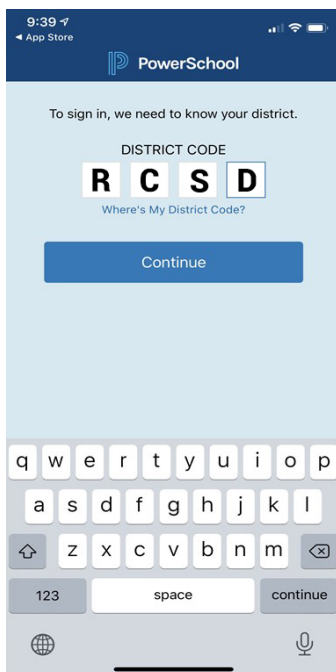

Enter the District Code

The district code is a four-digit code that you enter on the sign in screen. This connects the app to the PowerSchool SIS at the Diocese of Lincoln Schools. You will then enter your username and password to sign in to PowerSchool.

Our District code is: RCSD

Enter the District Code

1. On the Sign In screen, enter your PowerSchool Parent Portal username and password

    a. You should have received a letter from Aquinas Catholic Schools instructing you how to create a PowerSchool Account. You will need your PowerSchool Username and Password for this step.

2. Tap the **Go** button

PowerSchool Mobile App for Android

Device Requirements

Mobile apps require the following operation system version installed on your device:

| Mobile App	OS
PowerSchool Mobile (Android) v2.3.0	Android 7.0+

Mobile App Download

PowerSchool Mobile can be downloaded from the Google Play Store

Android App
https://play.google.com/store/apps/details?id=com.powerschool.portal
Note: You can also open the Play Store app on your Android device and search for "PowerSchool". PowerSchool apps should be the first results that appear.
