www.aquinas-catholic.com

Aquinas Families,

Blessed Fall to you all! We have had so many things going on here is a run down of the last month or so:

**Diocesan Visitation-** On Wednesday September 20<sup>th</sup>, we had our annual Diocesan Visitation by Fr. Lawrence Stoley, Superintendent of Catholic Schools, Sr. Anne Joelle C.K., Assistant Superintendent, Sr. Mary Gabriel, Assistant Coordinator in the Religious Education Office, and Fr. Mark Cyza, Education Specialist. We spoke on a variety of subjects and the team was very pleased with our continued progress on Spiritual Direction, our excitement in the new staff we have hired, the new classes offered (Mechatronics, Intro. to AG, and Plant Science). Their primary focus was on security and making sure we have proper protocols in place. As a matter of transparency, the local Fire, Police and Sheriff offices have both maps and keys to all buildings and are prepared for any emergency.

**National Honor Society-** Next Wednesday October 4<sup>th</sup> the Aquinas Chapter of the National Honor Society will inducted new members into National Honor Society. NHS is a great opportunity for our school as it focuses on the four pillars of Scholarship, Service, Character and Leadership.

**Homecoming** – HOCO week was a great success two weeks ago. A big shout out to Mr. Wehrs and Mrs. Moravec. Mr. Wehrs was our MC for the week giving our students fun games to play each day. It was so good to see students smiling and having fun. The dress up were particularly funny. Mrs. Moravec continues to bring Spirit to our school with her fabulous group of Cheerleaders! Thank you to those that came out on Saturday for another Monarch victory and to honor Coach Mimick, soon to be the newest member of the Nebraska High School Hall of Fame.

**Karen Shonka** – In the fall, all faculty and staff throughout the Diocese gather for an in-service at the Diocesan Teacher Institute. For the second year the diocese has taken time to honor those for their distinguished service to our Catholic Schools. This year one of our very own, Karen Shonka, won the St. John Bosco Award as the Support Staff Member of the Year. I have named her the source of all knowledge. Mrs. Shonka is a constant face within our school building and has worked hard to help our students and the community. Thank you, Mrs. Shonka!

**Honoring Teachers** – This time of the year the Diocese also recognizes those teachers for their years of service. Aquinas is known for its teachers and their longevity in the field. Congrats to the following for their years of service: Ron Mimick 38 years, Jean Brown 37 years, Jody Pelan 36 years, Fr. Mike Stec 30 years, Mr. Mark Masur 25 years, Katie Smith 10 years, and Patricia Koranda 5 years. Thank you, teachers!

**(Update) Holy Family ELC Openings** – We continue to need both full-time and part-time workers at Holy Family. Again, even if your availability is only a couple of days a week, please consider putting in an application. Online applications can be submitted on the Aquinas website: <https://aquinas-catholic.com/careers/>

Please know of my gratitude for each of you, the students you have entrusted to us, and the sacrifices you make daily for our school. A safe and blessed harvest to our farming families!

*Fr. Michael Ventu*

## **Middle/High School Principal update- October 2023**

Now that school seems to have settled into more of a routine, it can be more challenging to keep the optimism and positivity that typically comes with the start of a new school year. Old and new frustrations more easily rise to the surface and we can find ourselves more quickly getting bogged down in the day-to-day tasks and to-do lists. A quote I came across a few weeks ago (but am not sure who deserves the credit for it) and shared with our teachers was this: “Never be the reason someone has a bad day at school”. While this quote was obviously in the context of school specifically, it can readily be applied in all areas of our lives. If everyone adopts the mindset of not being the reason someone’s day is worse than it could have been, we will all benefit. A caveat with this though, is also that we can’t relieve others of their own responsibility and control over how they think, feel, and act in response to their circumstances. For example, a student might try to blame a teacher for their bad day when the student got in trouble for something. In truth, the teacher is not at fault the student had a bad day, they are simply enforcing the rules the student chose to violate, so the student should instead be blaming him/herself. Adopting this kind of mindset won’t happen overnight, but if we can find ways to remind ourselves of it frequently, over time it will take root deeper and deeper in our community, and as mentioned earlier, everyone will benefit from it.

### **Current news**

- **Parents as primary educators-** Parents are the first and primary educators of their children. Parents teach their children innumerable things long before they start going to school. While many parents do decide to send their children to school (and we are especially grateful for the ones who send their children to Aquinas), this doesn’t eliminate their role as primary educator. School and parents are partners in the education of their children. Children in many ways are like sponges and they soak up everything around them, including beliefs, attitudes, and mindsets. Two key areas of this that I’ve been thinking about lately include instilling a service mindset and the enforcement of school rules. With the reinstatement of the community service hours program, Aquinas is trying to very directly instill a service-oriented mindset in our students, and this will be much more effective if our students also see the importance of service to others modeled to them at home as well as school. Similarly, when a violation of school rules occurs and the handbook has to be enforced, this can be a much less contentious interaction when students know that home and school are on the same page and holding the same expectations. Parents can help minimize the amount of rules enforcement that is even necessary by being proactive with their children, whether it be uniform issues, haircuts/grooming, or any other topic. Making sure your child is dressed in uniform when they leave in the morning, or noticing that their hair is getting long and needs to be cut and scheduling a haircut before the school tells them they have to get it cut will help decrease the amount of contention at school. This will also help teach students that everyone is on the same team and pulling in the same direction as opposed to working against each other.

### **Community service hours-**

- This year we will be reinstating a community service hours requirement for students. This program is intended to instill a service-oriented mindset in our students; service for their school, service for their parishes, and service for their community. A quick summary of the service program: high school students will complete 15 hours of service each year, for a total of 60 hours to be eligible for graduation, middle school students will complete 10 hours of service each year, for a total of 30 hours to be eligible for promotion to high school. The required totals for graduation or promotion will be prorated (i.e. current 7<sup>th</sup> grade students will need to complete 20 total hours- 10 in 7<sup>th</sup> grade, 10 in 8<sup>th</sup> grade- to be eligible for promotion to high school). Service may not be done for

relatives, a for-profit business, or a business/organization by whom the student is also employed. Service Hours will be submitted to a student's House teacher (s), who will help the student track their hours year after year. Forms to submit service hours will be available from House teachers and on the school website.

- \*15 hours per year toward graduation are required, but more are encouraged. There will be a community service award given at Awards Night in the spring.
- \*Since the community service hours program is new, summer community service hours will be accepted until October 13th (the end of Q1). In future years, hours completed in the summer will have to be submitted within the first 30 days of the school year.
- \*While the requirement is per year, these are suggested quarterly benchmarks to hit to make sure your student doesn't have to scramble at the end of the year to complete the required hours: HS students 3-4 hours per quarter, MS students 2-3 hours per quarter.
- **Tri Councils**– Reminder that Tri-Councils are on October 19th. Please make sure you attend **WITH YOUR STUDENT(S)** if at all possible. Open lines of communication help ensure the best learning possible is happening. More details about Tri-Councils can be found in the Tri-Council specific page in this Torch.
- **Contact info request**– Parents, please make sure to log on to the PowerSchool Parent Portal and make any updates necessary to your contact information so we are able to contact you. Phone numbers, addresses, and email addresses sometimes change but don't get updated on PowerSchool, so we are unable to get in contact with you until we become aware of the change. This is also how we create the School Messenger notices that go out (i.e. texts, emails, and phone calls in case of a snow day), so it is very important we have the correct contact information. If you have questions about how to do so, please contact Laura Adair by either calling the school or emailing [laura-adair@cdolinc.net](mailto:laura-adair@cdolinc.net). Thank you!

## Tri-Council Schedule

**Thursday, October 19<sup>th</sup> from 2:00 – 4:00 and 4:30 – 7:30 p.m.**

Aquinas Tri-Councils will be held on Thursday, October 19<sup>th</sup> from 2:00 – 4:00 and 4:30 – 7:30p.m. School will dismiss at 1:00 so we can start conferences at 2:00. Busses will run accordingly and school lunch will be served. We hope that offering afternoon and evening sessions will help to make conferences available to as many parents as possible. You are welcome to attend at any time during these hours as we are not assigning specific times for individual meetings.

Conferences will be held in the North Gym this fall. If you have a teacher or teachers that you definitely need to see, we would encourage you to do so as we feel good communication between the parent and teacher is very important. If you are happy with the progress of the class and your student I would ask that you try not to add to an existing line simply to say hello.

1<sup>st</sup> quarter report cards will be available to pick up at a table in the front lobby during conferences.

Please keep in mind that some teachers may have well over 100 students per day. For this reason, we ask the teachers and parents to please limit their conference time if a line begins to form. If you need more time with a teacher you may make an appointment to meet with the teacher at another time. You may also email our teachers at any time if you have questions or concerns. Email addresses can be found [here](#).

While we understand that conflicts are not always avoidable, I want to emphasize the importance of the **TRI**-Council format of our parent-teacher conferences. We try to teach our students to take responsibility for their learning, and attending Tri-Councils with their parents is an important aspect of this responsibility. Tri-Councils between students, parents, and teachers (as opposed to only parents and teachers) also foster the most open lines of communication between all involved parties, as well as being more efficient in ensuring everyone is on the same page.

God Bless!

### **CHAPLAIN'S REPORT**

Dear Parents,

It is a joy to write to you for the very first time! When Bishop Conley assigned me to this role as Chaplain at Aquinas, he specifically wanted to work with not just the students but also the faculty staff, and you parents.

It has been a little over a month now since I first began and I can honestly say I am still learning the ropes. One thing I do know thanks to my eight years of priesthood, is that before you can do any program or event, you have to get to know and build trust with the people you work with. As such, I have been blessed to be able to sub for a variety of classrooms, go on the HS retreat and share my testimony, and offer confessions, spiritual direction, and opportunities to talk to students, faculty and staff.

However, one area of difficulty is reaching you parents! So, I want you to say hello to me at games, email me if you have any questions or concerns, and of course be on the lookout for future Torch blurbs from me. You parents have the most important role here at Aquinas in our Mission. Be assured of my prayers!

God bless,

FrGraeve

AQUINAS CATHOLIC DRAMA DEPT. PRESENTS

# THE SHAPE OF THE GRAVE

BY LAURA LUNDGREN SMITH

The Troubles raging through Northern Ireland cost sixteen-year-old Colleen half her family, and she sees only one way to give her loss meaning: join the bloody fight for Irish independence from Britain. It seems so simple, but the IRA's reception isn't what Colleen expects and her older sister Brigid will do anything to stop her from making the same mistake as their father. How far will she go to make her path clear again? How far will Ireland go? And Britain? And what more will it cost?

**Dear 2024 Seniors and Parents of 2024 Seniors,**

Next year your son/daughter will be a senior. One of the most lasting and treasured reminders of this year will be the senior pictures which will be taken over the summer or the first part of the school year. You will be responsible for getting the following senior pictures to Mrs. Pokorny by **November 1, 2023**.

**You need to have your photographer email your colored formal pose picture in a vertical billfold sized JPEG file at 250 dpi to me for the yearbook, composite, alumni board, press releases, and class video. This picture should be the colored formal indoor pose with a plain background. (This should be a head shot with no hands or lower arms visible please.) You are responsible for making sure the school has this by November 1st. They may email this to Mrs. Pokorny at [teresa-pokorny@cdolinc.net](mailto:teresa-pokorny@cdolinc.net)**

**If we do not have your print by November 1st, you may miss out on being in the composite, yearbook, etc. or have to pay for the late fee to be included. Be sure to schedule your pictures to be taken by September 1st.**

As we at Aquinas should always strive to live up to Christ's example of modesty and Christian decency, we ask that no inappropriate pictures be submitted for publication.

This would include:

**Females-no off-the-shoulder dresses or blouses**

**Females-no tops with an immodest/low cut (cut of the top must be 1 inch above the line of cleavage); no spaghetti or thin straps on shoulders for dresses or blouses**

**Males-wear a collared shirt and tie. (A jacket is preferred but optional.)**

**Nothing that goes against the current dress code, for example-tattoo/**

**body piercing, hair length (MUST be above the collar of the shirt), 'fad' hair styles, facial hair, etc.**

**\*Remember that by a colored formal pose, we are asking for a head shot with no hands or lower arms visible in the picture.**

**The back-ground should be plain/one color and NO outdoor shots.**

**Again, remember to have your photographer email your colored formal vertical pose picture in a billfold sized JPEG file at 250 dpi to Mrs. Pokorny by November 1st.**

The administration reserves the right to refuse any portrait deemed unacceptable or immodest. Please read and follow the instructions we have provided and there should be no problems.

Please note that you MUST sign the publicity permission form in PowerSchool (under Forms) when you register your student at the beginning of the school year in order to have the senior picture as part of our composite, yearbook, and any other publications who might ask for the formal shot.

If you don't plan to have senior pictures taken, Ms. Brown will take a formal head shot picture, but this must be arranged with her before November.

If you have any questions, please contact Mrs. Pokorny at 367-3175. Best wishes and have an enjoyable summer.

Sincerely,

Teresa Pokorny

# From the Career Counseling Office

## Seniors and Senior Parents:

Watch your emails for information from the Career Counseling Office.

## Important Dates and Events:

**October 19:** During Tri-Councils, a financial representative will be available in the gym for questions about FAFSA and the financial planning for college, 5:30-6:30 p.m. From 6:00-6:30 p.m., the representative will have a large group session in the Library.

Also in October, we are planning an “Apply to College Day” for the Seniors. Date and details will be in the Senior Parent Emails.

## Why We Prep

Aquinas High School is in the eighth year of offering the John Baylor Prep “On to College” Program. The program features a series of videos offering review and testing strategies in areas of English, Reading, Science and Mathematics. Each video session assigns 10-20 minutes of homework to be completed before the next session. Students are attending JBP once a week during the school day and have been given a log in /password giving the 24/7 access to the material at [www.johnbaylorprep.com](http://www.johnbaylorprep.com).

Baylor explains his program as 80% content, 10% test-taking strategies and 10% motivation. Motivated students can expect to see a 2-3 point jump in test scores, motivation to prepare for their future, and an overall improvement in academic work. A reluctant student will pick up on catchy phrases used and strategies that can improve their academics.
