Aquinas Families,

**State Compliance Visit** - On Monday October 2<sup>nd</sup>, we had our Compliance Visit for the first time since 2002. As a private parochial school, Aquinas is a Rule 14 school in the State of Nebraska. We comply under this rule for legal operations. This visit with its requirements establishes minimum standards for the operation of nonpublic schools and supports the missions and goals of nonpublic education in Nebraska while insuring a level of quality and equality of educational opportunity. I am pleased that our visit found us not only compliant but above those standards.

**National Honor Society** - On Wednesday October 4<sup>th</sup>, the Aquinas Chapter of the National Honor Society inducted 10 new members into National Honor Society. Congratulations to those students on their achievement in the areas of Scholarship, Service, Character and Leadership. In my homily to the students and their families I commended them on their hard work and accomplishments. I used an address John Paul II gave to high school students reminding them that the Church puts so much time and energy into Catholic Education because of one thing, the person Jesus Christ. John Paul II told the youth that the Church and world needs them as we need our students today, to be His witnesses.

**Sports** - What a month it has been for our student athletes! Congratulations to our Girls Softball Team who for the first time in program history advanced to state in Hastings earlier this month. In Cross Country, our Girls Team also went to state and placed 10<sup>th</sup> as a team. Congrats to senior Gianna Frasher on placing 2<sup>nd</sup> individually! Girls Volleyball competed in the subdistricts in Clarkson completing their season. Our band was in Lincoln for State receiving high marks in their performance. Lastly, our boys will be in action against Norfolk Catholic as the playoffs for State Football begin. Go Monarchs!

**All Saints Day** - Next Wednesday, November 1<sup>st</sup>, is the solemnity of All Saints. On this day, we pray with and ask intercession from the Church Triumphant, the saints in heaven. What a powerful moment connecting with Francis, Benedict, Mother Teresa and our own loved ones now in heaven! School is closed this day to give our families time to come to Church, to receive the Eucharist and fulfill their Catholic obligation. As parents, the first teachers of your children, please show them the importance of the Mass and the Eucharist.

**Strategic Plan** - Please remember to complete the survey as we begin our new Strategic Plan. As parents, you're our major stakeholders and your feedback is vital to our future. The survey is very short and easy to do. To complete the survey, go to <https://www.surveymonkey.com/r/AQUINASCATHOLIC>

**(Update) Holy Family ELC Openings** - We continue to need both full-time and part-time workers at Holy Family. Again, even if your availability is only a couple of days a week, please consider putting in an application. Online applications can be submitted on the Aquinas website: <https://aquinas-catholic.com/careers/>

Please know of my gratitude for each of you, the students you have entrusted to us, and the sacrifices you make daily for our school. It does not go unnoticed!

### **Middle/High School Principal update- November 2023**

I don't know about you, but it seems like just a few days ago that I was writing how hard to believe it is that the school year was already here, and now we are already a quarter of the way through it. While I'm not excited about the direction the weather is going, I am excited about the direction Aquinas Middle/High School is going. While we aren't perfect and never will be, we will continue to strive to be the best we can be and find ways to improve. We also have some very positive things going for us that I hope our families are excited about as well. From sacramental opportunities to facility improvements, Houses to community service, academic offerings to extracurriculars, we are always looking to grow as a school and improve the ways in which we form future saints. Aquinas Middle/High School has been a wonderful place to be for the last 2.25 years, and I'm excited to see what the future holds for us!

#### **Current news**

- **Bus drivers needed-** Aquinas Catholic Schools needs a route driver for the Shelby/Rising City daily route. If you are interested in a more-rewarding-than-you-might-realize position please contact me! Aquinas covers all expenses for you to get your license and training to become a bus driver.
- **Community service hours-** As the year has progressed, we have had a few different community members reach out with opportunities for students to complete community service hours. If your student(s) needs some ideas for opportunities for community service hours, they can either stop by the office or ask their House teacher. Hopefully your student has already completed some community service hours or has a plan for how and when to complete them as the year progresses. House teachers can be an excellent resource in this area.
- **Tri-Councils-** Thank you to all who attended Tri-Councils on October 19th! 77% of all MS/HS families were represented. Report cards were sent home with students the week after Tri-Councils, and final Q1 grades can also be viewed on PowerSchool, as well as current grades for Q2.

#### **Upcoming events**

- **All Souls Day Mass-** Thursday, November 2nd
- **Daylight Savings Time ends-** Sunday, November 5th
- **MS/HS Veteran's Day Program-** Friday, November 10th
- **Alumni Phone-a-thon-** Sunday, November 12th & Monday, November 13th
- **Thanksgiving Break-** Wednesday, November 22nd- Friday, November 23rd

#### **Schedule changes/reminders**

- **No school-** Wednesday, November 1st (All Souls Day)
- **No school-** Monday, November 6th (Teacher Professional Development)
- **1pm early dismissal, Houses parish service projects, SAT Day-** Tuesday, November 21st

God Bless!

Kindergarten has been busy exploring! We have used all our senses to find things in nature and created some nature crafts. We have also navigated our way through The Levant!

We would also like to thank the Štara family for letting us pick out pumpkins at their farm. This year the Seniors joined us, and we had a great time! Also, to Tom and Jane Šamek and Devin Betzen for pumpkins to paint and experiment with! We had fun seeing if pumpkins would sink or float, roll, how tall they were with linking cubes, feeling the insides, and counting seeds!

Mrs. Emswiler and Mrs. Miller

Mrs. Jakub taught the **First Graders** about two amazing saints - St. John Paul II and St. Therese.

The boys made papal mitres like St. John Paul II would have worn, and the girls made crowns of roses since St. Therese is called the "Little Flower."

*Mrs. Smith & Mrs. Fozzard*

The **Third graders** are in the midst of learning the Mysteries of the Rosary. They are coloring pages for each mystery which will be made into a book. We have discussed each mystery in detail in order to be able to meditate upon them while praying. In Science we are studying about Balancing Forces by doing experiments and making predictions on how force can affect our daily lives. We have enjoyed these fall days with an extra recess or two.

## CHAPLAIN'S NOTE

Dear Parents,

November is the month when the leaves begin to fall and harvest wraps up. It is therefore fitting that the Church liturgically reminds us of the inescapable reality of death and the harvest of souls at our judgement. As such, November is the special month when we are encouraged to pray for the souls in purgatory. One great thing you can do with your family is to go to a cemetery this month and pray for the souls there. It's not only a spiritual work of mercy, it's also a great witness to your children. If you go between Nov 1-8, you can receive a plenary indulgence for a soul in purgatory, provided you meet the regular requirements (go to confession and receive the Eucharist within 20 days and pray an Our Father, Hail Mary, and Glory be for the intentions of the Holy Father). Our Catholic Schools thrive best when the faith is practiced both at home and at school, so why not visit a cemetery and pray for the poor souls in purgatory, who will undoubtedly return the favor when our own earthly lives come to a close?

-Fr. Graeve

## **The Do's and Don'ts of Applying for Scholarships**

By Alison Ourada, EducationQuest

Scholarships come in all shapes and sizes, but most of them have a similar application process. If you know some general guidelines for scholarship applications, it can make the process seem a lot less overwhelming. Here are some do's and don'ts that you should keep in mind while applying for scholarships.

### **DO Make the Deadline**

The first thing you should do when you decide to apply for a specific scholarship is check the scholarship deadline. Now that you've found the date, make sure that you understand how to send your application, where to send it, and by what time (if applicable). Some scholarships list a postmark deadline, in which case the application needs to be mailed by the deadline. Other scholarships require that your application arrives by the deadline. Now make sure that you send ALL of your application materials according to the deadline instructions. If your application is late, it will often not be considered. Why would you put in all that work for nothing?

### **DON'T Procrastinate**

It's no secret that scholarship applications take time and effort to complete. So it's very important that you not put off the application until the last minute. If you procrastinate, you are more likely to make mistakes in your application or not be able to get everything together in time. Even if you are able to get all of your application materials together correctly, the quality of your application will suffer. If possible, give yourself at least two weeks to complete an application, and make sure you give yourself plenty of time for essays and letters of recommendation to be written.

### **DO Follow the Directions**

The directions on a scholarship application are not suggestions. These are the basic requirements that you need to fulfill in order to be considered for a scholarship. If you do something careless like emailing your application when you are supposed to mail it or not bothering to format your application correctly, you may not get a scholarship (no matter how amazing your essay is).

### **DON'T Submit an Incomplete Application**

Scholarship committees request specific information because they need it to make sure you are eligible for the scholarship and to make an informed decision on who to select. If the scholarship committee does not receive all of that information from you, you will most likely not get a 'free pass' and get a scholarship anyway. The scholarship committee will likely look at your application, see it is incomplete, and move it to the disqualified pile. Some scholarship committees will contact you in an effort to complete your application, but NEVER assume that this will be the case. Part of being a college student (and an adult) is submitting everything correctly the first time. Why not practice that skill now with your scholarship applications?

### **DO be Neat**

You can't win a scholarship if the review committee can't read your application. This doesn't mean that you can't fill out applications by hand (unless the directions say you have to type your application—see above), but this does mean that you should use your best handwriting and try to keep your application in good condition.

### **DON'T Forget to Proofread**

ALWAYS have someone proofread your application before you send it in. This will help reduce any spelling or grammar errors or other mistakes that may be in your application before you send it. If you want to earn some money, you'll want your application to be as polished as possible!
