

AQUINAS CATHOLIC SCHOOLS

THE TORCH

Aquinas Families,

April, 2025

I hope you had a good Easter break having some time with your families! Here we are in the final month of the school year. As always it feels like the year has flown by. This next month is a very enjoyable time of the year with final field trips, Fine Arts and Awards Night, and finally the graduation of our Senior Class of 2025!

*** Gold Rush: Just a simple rundown of the numbers for Gold Rush.**

Event Total: \$405,005 (Thank you for the generosity!)

Expenses: \$25,888

Net Total: \$379,117

Breakdown: \$300,000 (Amount budgeted for 2024-2025)

\$ 20,000 (Bus Raffle budgeted for 2024-2025)

\$ 47,025 (Blue Sky – Kindergarten Roof Repairs)

Almost 480 guests were able to enjoy our 27th annual WrestleMania Gold Rush event on March 29th. Not only was it a fun, sociable evening for our benefactors, teachers, staff, alumni, parents and grandparents, but it also raised an incredible amount of money for our Catholic Schools! Again, thank you donors! We realize the difficulties in the Ag Economy, and I am so grateful for your sacrifices! Our Aquinas Community is incredibly blessed with remarkable people who recognize the great importance of a Catholic education. They value it, appreciate it, and support it with their talent and treasure. This was a community event, and the community came together in a big way. Regardless of how you specifically help us further our mission of teaching and forming the next generation of Catholic young people, be it by volunteering or making a sacrificial financial gift, we are grateful

*** Graduation** – All are invited Sunday May 18th at 4:30pm in the South (Old) Gym for to our Commencement and Graduation ceremonies for the Class of 2025! Please join us!

Lastly, the Easter break asked to pause and mourn the death of our Holy Father Pope Francis. As I mentioned in my email to you this is a historic moment in the Church and a teachable one as well. The next week will be a time of praying for our Holy Father, followed by the conclave to elect a new Pope. Please take time to pray for Pope Francis' soul and to begin praying for a new pope. Again, this is such an important time of educating our children in our faith.

Wishing you and your family a continued Blessed Easter Season as we journey to Pentecost! Although we still have a few more weeks to go, thank you for all that you have done in making this school year a success!

Middle/High School Principal update- May 2025

Current news

- **Staff changes-** We have several staff changes for the 2025-2026 school year, with a couple more changes still possible.
 - **Departing-** I would like to thank Roger Gallaway, Tom Adamson, Bennett Shane for their contributions during their time at Aquinas. We also wish them luck as their journeys take them away from Aquinas on to the next adventure in life.
 - **Incoming-** I am excited to welcome Tony Smith (Business, Broadcasting), Sandy VanCura (principal), and Lori Focher (Library) to Aquinas. I am also excited to take on the Math position vacated by Mr. Shane.
- **School attendance and absences-** Parents of MS/HS students now can report absences directly on the parents' PowerSchool account rather than having to call the office. Unfortunately, this can only be done by logging in to PowerSchool on a web browser (either on a phone or computer). This function is not supported on the mobile app. Parents can still also call absences in to the office.
- **Community service hours-** Reminder that community service hours need to be submitted to your student's Society teacher within 30 days of any service hours being completed!
- **Student schedules-** Mrs. Miriovsky has been working on schedules for 2025-2026 and will be meeting with HS students individually through the rest of the year to finalize schedules as much as possible before summer.

Upcoming events

- **MS Fine Arts Night-** Thursday, May 1st
- **HS Awards Night-** Tuesday, May 6th
- **HS Fine Arts Night-** Wednesday, May 7th
- **Baccalaureate Mass-** Wednesday, May 14th
- **Graduation-** Sunday, May 18th
- **Last day PK-8-** Wednesday, May 21st
- **HS Finals-** Thursday, May 22nd and Friday, May 23rd

Schedule changes/reminders

- **No school-** Thursday, May 15th (hosting district track)
- **1pm early dismissal-** Wednesday, May 21st (Last day of school PK-8)

God Bless!

Dear Parents,

This is the May 2025 Semester Test Schedule for grades 9 - 11. Semester exams count for 20 percent of the total semester grade, so I can't stress enough the importance of being prepared. Please encourage your sons and daughters to prepare for these exams. Some students tend to procrastinate, so a reminder from time to time may help to keep them focused. This is an opportunity for students to raise their grades. Please take advantage of it.

Read Naturally Summer Reading program:

Aquinas Elementary School is offering the **Read Naturally** program again this summer. Students using the program have improved on reading fluency as well as comprehension. LaDonna Naiberk and Pam Comte will offer the program for two weeks this summer to Aquinas elementary students who have completed 1st through 5th grades.

The student will read stories at a reading level suited for his/her fluency development. He/she may move to higher levels as their reading ability improves. The student selects a story from the computer program. The student will then review key vocabulary words in the story and makes a prediction about the story. The student reads **the** story while listening to an audio recording and then practices it several times until he/she can read it with good expression at a set goal rate. This goal is set at an appropriate speed according to the student's ability. An increase in goal rate shows progress. After reading each story the student will answer questions about the story. They are expected to answer 80% of these comprehension questions correctly. The students seem to enjoy the program and the computer offers another venue to practice reading.

We are planning to offer sessions June 10th, 11th, 12th and June 17th, 18th, 19th with 30-minute sessions from 9 am to 2 pm.

A Proven Approach to Building Reading Proficiency

The Read Naturally Strategy combines the three powerful, research-proven strategies of teacher-modeling, repeated reading, and progress monitoring to create an effective tool that individualizes instruction and improves reading proficiency. Using audio support and tracking their progress, students work with high-interest material at their skill level to improve fluency, vocabulary, and comprehension.

Teacher Modeling: A proficient reader models correct reading for a developing reader. Teacher modeling helps a student learn new words and master others as well as learn proper pronunciation, expression, and phrasing.

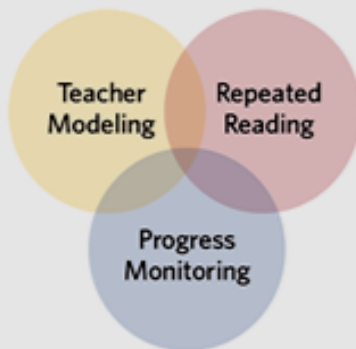

In Read Naturally Strategy programs, the student reads along while listening to a carefully-paced recording of a fluent reader.

Repeated Reading: A student reads the story multiple times. Repeated reading helps a student master difficult words, increase accuracy, and improve expression to become a fluent reader. Reading a story repeatedly also increases comprehension and builds confidence.

In Read Naturally Strategy programs, the student reads a high-interest, nonfiction story until able to read it accurately and with expression at a goal rate.

Progress Monitoring: The student uses graphs to track his or her performance. Progress monitoring involves the student in the learning process, motivates the student to improve, and increases reading achievement.

In Read Naturally Strategy programs, the student monitors reading progress through graphs showing the student's fluency and comprehension performance on each story.

Tuition for 2 week program:

3 sessions per week
6 sessions total: **\$80.00**

Sessions will run from 9:00-2:00

Payments will be due on June 10th or earlier.

No make-up times for missed sessions.

May 2025

Dear 2026 Seniors and Parents of 2026 Seniors,

Next year your son/daughter will be a senior. One of the most lasting and treasured reminders of this year will be the senior pictures which will be taken over the summer or the first part of the school year. You will be responsible for getting the following senior pictures to Mrs. Pokorny by **December 1, 2025**.

You need to have your photographer email your colored formal pose picture in a vertical billfold sized JPEG file at 250 dpi to me for the yearbook, composite, alumni board, press releases, and class video. This picture should be the colored formal indoor pose with a plain background. (This should be a formal head shot with no hands visible please.) You are responsible for making sure the school has this by December 1st. They may email this to Mrs. Pokorny at

teresa-pokorny@cdolinc.net

If we do not have your prints by December 1st, you may miss out on being in the composite, yearbook, etc. or have to pay for the late fee to be included. Be sure to schedule for your pictures to be taken by September 1st.

As we at Aquinas should always strive to live up to Christ's example of modesty and Christian decency, we ask that no inappropriate pictures be submitted for publication.

This would include:

Females-no off-the-shoulder dresses or blouses

Females-no tops with an immodest/low cut (cut of the top must be 1 inch above the line of cleavage); no spaghetti or thin straps on shoulders for dresses or blouses

Males-wear a collared shirt and tie. (A jacket is preferred but optional.)

**Nothing that goes against the current dress code, for example-tattoo/
body piercing, hair length, facial hair, etc.**

***Remember that by a colored formal pose, we are asking for a head shot with no hands visible in the picture. The background should be plain/one color and NO outdoor shots.**

Again, remember to have your photographer email your colored formal vertical pose picture in a billfold sized JPEG file at 250 dpi to Mrs. Pokorny by December 1st.

The administration reserves the right to refuse any portrait deemed unacceptable or immodest. Please read and follow the instructions we have provided and there should be no problems.

If you don't plan to have senior pictures taken, Ms. Brown will take a formal head shot picture, but this must be arranged with her before December.

If you have any questions, please contact Mrs. Pokorny at 367-3175. Best wishes and have an enjoyable summer.

Sincerely,

Teresa Pokorny
